**TEST RESULTS [May 18<sup>th</sup> and 19<sup>th</sup>, 2009]**

**PASS RATE PERCENTAGES**

The chart below shows the passing rate of test takers from each licensed school within a specific test subject and the school's overall pass rate. (These figures are based on first time test takers).

Note: School Pass Rate is the number of test takers that passed every category divided by the number of total test takers. Therefore, if 1 student passed all test categories out of 2 test takers, the school's pass rate is 50%.

Test Category Overall Pass Rate is the number of all test takers in a specific category that passes divided by the overall number of test takers.
