Charles,

Thank you for the input in the Schedule of Fines.

It is important to make the 1<sup>st</sup> Offense an educational notice. This is to ensure the licensee understands that the act is unlawful or illegal under the jurisdiction of the Board.

With the 1<sup>st</sup> Offense a warning, the 2<sup>nd</sup> Offense can be a monetary fine. The system is in place for the licensee to correct the issue before being brought before the Board to discuss the unlawful behavior.

Should you have any further questions, please feel free to contact the Board.

Sincerely,

2.23 Performing cosmetology, barbering, manicuring, or skin care services by a student when not on the premises of the school in which she or he is enrolled:

1<sup>st</sup> Offense: Warning and notify school  
2<sup>nd</sup> Offense: \$150.00  
3<sup>rd</sup> Offense: \$300.00

For a person with a license who is doing hair outside the shop, that could be one of the following:

2.8 Practicing without Board authorization:

1<sup>st</sup> Offense: \$300.00  
2<sup>nd</sup> Offense: \$500.00  
3<sup>rd</sup> Offense: The Board shall summon the practitioner or shop owner to appear before....

2.5 Operating a shop by a practitioner without first filing a shop application, paying the fee, and receiving the license.

1<sup>st</sup> Offense: \$200.00  
2<sup>nd</sup> Offense: \$500.00  
3<sup>rd</sup> Offense: The Board shall summon the practitioner or shop owner to appear before...

2.6 Performing services as a practitioner while working in an unlicensed shop

1<sup>st</sup> Offense: \$200.00  
2<sup>nd</sup> Offense \$500.00  
3<sup>rd</sup> Offense \$1,000.00

In all three of these, the initial offense is a fine and the fines are more than what the student pays

Charles,

Thank you for your comments.

The Board will review all of your comments.

The majority of the people feel the same way about warnings for violators as you do. The purpose of some of the fines being warnings is to educate without penalty. This will allow the individual that performed a violation to know the action is not acceptable.

As for the student and professional fines being different, please inform me of the rule reference so I may bring this to the Board's attention.

Finally, as for the IRS reporting, the Board will be sending quarterly records to the WV State Tax Division of all booth renters registered with the Board. The tax department will determine their own reporting/investigation process.

Should you have any further questions, please feel free to contact me.

Again, thank you for your comments.

**Subject:** Proposed changes for fines

My question is this: If everyone licensed has had a law class, why are so many of the first offenses only a warning? For instance, it states very plainly in the law several times that clients must be served with clean towels, so everyone should know this; a person licensed or students in a school should clearly know what practices are acceptable and not acceptable. I honestly think the first offense should begin with an actual fine as the law class and school training was a warning. Secondly, why are student fines for working on clients at home far less than those for professionals. They should pay the same fines as everyone else. Additionally, I think the IRS should be contacted for anyone charging for services outside the salon (licensed or unlicensed)... if we have to pay taxes for work we do, they should too.

This is just my two cents worth on the proposed changes to the fines.

Thanks so much, and I honestly think you are doing a terrific job!
